RE: Marotta v. County of Monroe
6:14-cv-06310

Dear Judge Wolford:

I am writing on behalf of the parties to request a one week extension of time to file the stipulation discontinuing action in this case. Ms. Lukasiewicz and I are finalizing the language for the Release and Settlement Agreement and it has taken longer than expected. We are requesting that the Court's Order be modified to state that the stipulation discontinuing action must be filed on or before December 22, 2017.

Thank you for your consideration of this request.

Very truly yours,
